Your School Needs You! Join Our School Advisory Committee

Got just one hour a month to make a real difference?

We're looking for a few passionate parents and community members to join our School Advisory Committee (SAC). The SAC is a vital team that meets monthly during the school year to discuss, plan, and develop initiatives for the continued improvement and success of our students and school.

Here are the details:

- Time Commitment: Only about one hour per month.
- Meeting Time: Typically the first Tuesday of the month at 6:30 p.m.
- Flexibility: Travel frequently? No problem! You can easily join via Teams when you're out of town.

This is a fantastic, low-commitment way to get involved and directly impact your student's educational environment.

Ready to lend your voice and expertise? Please reach out to Mrs. Vance to express your interest or learn more! We appreciate your consideration and hope to welcome you aboard.
